WORKSHOP

2 ND INTERNATIONAL WORKSHOP
ON THE STRENGTHENING FAMILIES PROGRAM

“PRESENT AND FUTURE CHALLENGES OF SFP INTERVENTIONS IN THE WORLD”

The different SFP interventions in the world face similar challenges:

Cultural adaptation and fidelity,
evaluation, validation of international
adaptations, follow-up analysis,
gender issues, incorporation of
technologies in the implementation, etc.

This one-day workshop

Aims at aligning the concerns of
SFP researchers and implementers
around these subjects.

In special one of the main aims is to
discuss common issues and improve
program and adaptation process.

Guest speakers:

Karol Kumpfer (University of
Utah, EE.UU.)

Richard Spoth (University of
Iowa, EE.UU.)

John Toumbourou (Deakin
University, Australia)

20 th November 2018

University of the Balearic Islands,
Majorca (Spain).
